

2024-2025 Academic Year

Dear Business & Community Team Members,

Thank you for your time in reading this letter. We highly value the support you provide to fellow community organizations through your leadership. On this note, we hope to partner with you for Carl Sandburg High School Parent Faculty Student Association's (PFSA) Second Annual Film Festival.

The PFSA is honored to host our next Film Festival on Friday, February 21, 2025 from 6pm-10pm in the CSHS Performing Arts Center (PAC). The immense talent and innovation exhibited by our students deserves a dedicated platform. The Film Festival serves as a launching point for meaningful ideas, community service initiatives and creations to further evolve in the high school community. With this, we are welcoming businesses and organizations the opportunity to serve as a sponsor of both our overall organization and the Film Festival itself. The support of our sponsors is immensely appreciated. The funding helps us bring new activities and events to the student body as well as show appreciation for our staff members.

Please review the following sponsorship options available, and reach out at any time with your thoughts or questions. Our student film creators thank you in advance for your support.
